I. Introduction

This guidebook sets out the entry arrangements for persons who wish to enter the Hong Kong Special Administrative Region (HKSAR) for employment under the Top Talent Pass Scheme (hereafter “TTPS”).

2. The TTPS seeks to attract top talents with rich work experience and good academic qualifications from all over the world to explore opportunities in Hong Kong. These top talents include high-income talents and graduates from the world’s top universities.

3. The TTPS does not apply to nationals of Afghanistan, Cuba, and Korea (Democratic People's Republic of).

II. Eligibility Criteria

4. Persons who wish to apply to enter the HKSAR under the TTPS are not required to have secured an offer of employment in the HKSAR upon application. They may be granted 24 months’ stay on time limitation only without other conditions of stay provided that normal immigration requirements (see details in paragraph 19 below) are met. Applicants may choose to apply for the TTPS under one of the categories as listed in paragraphs 4(a) to (c) below:

- (a) persons with annual income¹ reaching HK\$2.5 million or above, or its equivalent in foreign currency, in the year immediately preceding the date of application (Category A);
- (b) degree graduates² of the eligible universities³ with at least three years of work experience⁴ over the past five years immediately preceding the date of application (Category B); or
- (c) degree graduates² of the eligible universities³ in the past five years immediately preceding the date of application⁵ with less than three years of work experience⁴,

¹ Annual income means taxable employment or business income including salary, allowances, stock options and profits from self-owned companies. Income generated from personal investment will not be taken into consideration.

² The level of academic qualifications of applicants obtained from the eligible universities must be equivalent to the recognised Hong Kong standard of bachelor’s degrees. For the avoidance of doubt, honorary bachelor’s degrees will not be accepted.

³ The eligible universities refer to those universities/institutions on the aggregate list of eligible universities (hereafter “the aggregate list”), which is compiled by the Labour and Welfare Bureau. The aggregate list is based on (i) the top 100 universities/institutions in four designated world university rankings in the past 5 years, namely Times Higher Education World University Rankings, Quacquarelli Symonds (QS) World University Rankings, U.S. News and World Report’s Best Global Universities Rankings and Shanghai Jiao Tong University Academic Ranking of World Universities; (ii) the top five universities/institutions providing specialised hotel programmes on the QS World University Rankings in the discipline of “hospitality and leisure management” in the past five years; and (iii) the top 10 Mainland universities under the Shanghai Jiao Tong University Best Chinese Universities Ranking in the past five years. For the avoidance of doubt, the academic qualifications obtained from the continuing and professional education arms, the branch schools, the extension schools or the subsidiary schools, etc., established by the eligible universities will not be accepted. For the latest aggregate list, please refer to the Immigration Department’s website at www.immd.gov.hk/eng/services/visas/TTPS.html.

⁴ The relevant work experience shall be accumulated from full-time employment, or else self-employment, after graduation.

⁵ Graduation in the past five years is counted by “year of graduation”.

subject to an annual quota which is to be allotted on a first-come, first-served basis (Category C); however, Category C does not apply to those non-local students⁶ who have obtained the undergraduate qualification in a full-time and locally-accredited programme in the HKSAR.

5. An application for a visa/entry permit to enter the HKSAR under the TTPS from a person under any category set out in paragraph 4 above may be favourably considered if:

- (a) there is no security objection and no known record of serious crime in respect of the applicant; and
- (b) the annual quota is available for allotment (applicable to Category C's applicants only).

6. Successful TTPS applicant will normally be granted an initial stay of 24 months on time limitation only without other conditions of stay. Each applicant can only be granted such initial stay once.

Overseas Chinese Nationals

7. Overseas Chinese nationals holding People's Republic of China (PRC) passports who meet the eligibility criteria stipulated above and normal immigration requirements (see details in paragraph 19 below) may apply to enter the HKSAR for employment under the TTPS if:

- (a) the applicant has permanent residence overseas; or
- (b) the applicant has been residing overseas for at least one year immediately before the submission of application ("overseas" means countries or territories outside the Mainland, the HKSAR, the Macao Special Administrative Region (Macao SAR) and Taiwan) and that the application is submitted from overseas.

III. Application Procedures

Submission of Application

Supporting Documents

9. Please refer to the checklist in Part IX of this Guidebook.

⁶ Non-local students refer to persons entering the HKSAR for the purpose of education with a student visa/entry permit issued by the Director of Immigration.

IV. Travel Documentation Requirement

Mainland residents

10. Upon approval of the application, the applicant will be issued with an entry permit (in the form of “e-Visa”). Successful applicant should obtain an Exit-entry Permit for Travelling to and from Hong Kong and Macao (EEP) and a relevant exit endorsement from the relevant Mainland authorities. Upon immigration arrival clearance in the HKSAR, the applicant holding an EEP bearing the relevant exit endorsement should also present the “e-Visa” saved on a personal mobile device or printed on a sheet of A4 white paper, and scan the encrypted QR code on the “e-Visa” with the optical reader at an immigration counter.

Overseas Chinese nationals

11. If the applicant is an overseas Chinese national holding a PRC passport, he/she should present his/her valid PRC passport and “e-Visa” for immigration examination upon arrival in the HKSAR (only applicable to overseas Chinese who have obtained overseas permanent residence; or have been residing overseas for at least one year immediately before the submission of an application and the application is submitted from overseas).

Non-Mainland residents

12. Upon approval of the application, the applicant will be issued with a visa/entry permit (in the form of “e-Visa”). Upon immigration arrival clearance in the HKSAR, the applicant should present his/her valid travel document and the “e-Visa” saved on a personal mobile device or printed on a sheet of A4 white paper, and scan the encrypted QR code on the “e-Visa” with the optical reader at an immigration counter.

V. Conditions of Stay

13. Persons admitted under the TTPS, who are on time limitation only without other conditions of stay, are free to take up and change employment or to establish or join in business in the HKSAR during their permitted stay without the need to seek prior approval from the Director of Immigration.

VI. Extension of Stay

14. Persons admitted under the TTPS will normally be granted an initial stay of 24 months on time limitation only without other conditions of stay upon entry. They may apply for extension of stay in the HKSAR online within four weeks before their limit of stay expires. Upon applying for extension, they are required to have secured an offer of employment which is at a level commonly taken up by degree holders or persons with good professional/technical qualifications, proven professional abilities and/or relevant experience and achievements supported by documentary evidence, and the remuneration package is at market level. For those who have established or joined in business in the HKSAR, they are required to produce proof of their business. Successful applicants will normally be permitted to remain on time limitation only without other conditions of stay on the 3-3 year pattern.

15. Persons admitted under the TTPS who meet the criteria stipulated in paragraph 14 and fulfil the following criteria at the time of application for extension of stay may apply for assessment under the top-tier employment stream:

- (a) the applicant has been permitted to remain in the HKSAR under the TTPS for not less than two years; and
- (b) the applicant has an assessable income for salaries tax of not less than HK\$2 million in the previous year of tax assessment⁷.

Successful applicants will normally be granted an extension of stay on time limitation only without other conditions of stay for a period of six years.

VII. Entry of Dependants

16. Persons admitted or seeking admission under the TTPS may apply, under their sponsorship, to bring their spouse or the other party to a same-sex civil partnership, same-sex civil union, “same-sex marriage”, opposite-sex civil partnership or opposite-sex civil union outside Hong Kong with an eligible sponsor in accordance with the local law in force of the place of celebration and with such status being legally and officially recognised by the local authorities of the place of celebration⁸ and unmarried dependent children under the age of 18 to the HKSAR under the prevailing dependant policy. Persons admitted or applying for admission under the respective arrangements will be the sponsors of their accompanying dependants to the HKSAR. An application for admission of a dependant may be favourably considered if normal immigration requirements (see details in paragraph 19 below) and the following criteria are met:

- (a) there is reasonable proof of a genuine relationship between the dependant and the sponsor;
- (b) there is no known record to the detriment of the dependant; and
- (c) the sponsor is able to support the dependant’s living at a standard well above the subsistence level and provide him/her with suitable accommodation in the HKSAR.

⁷ Applicants should provide documentary proof of having an assessable income for salaries tax of not less than HK\$2 million in the previous year of assessment, e.g. notice of salaries tax assessment of the previous assessment year issued by the Inland Revenue Department or relevant tax documents.

⁸ For the avoidance of doubt, the terms “civil partnership” and “civil union” above mean a legal institution of a nature which is akin to spousal relationship in a marriage. The same-sex civil partnership, same-sex civil union, “same-sex marriage”, opposite-sex civil partnership and opposite-sex civil union entered into in accordance with laws outside Hong Kong are limited to only relationships which are legally and officially recognised in the places of celebration. Such relationships normally have the following features: (a) the entering into and dissolution of the relationship are governed by legislation of the place where it is entered into; (b) the relationship requires registration by the competent authority specified by the legislation of the place where it is entered into; (c) the registration is evidenced in a written instrument issued by the competent authority; and (d) parties to the relationship have a mutual commitment to a shared life akin to spouses to the exclusion of others on a permanent basis. Such relationships do not include de facto spouse, partners in cohabitation, fiancé/fiancée, etc.

17. This entry arrangement does not apply to:
- (a) former Mainland Chinese residents residing in the Macao SAR who have obtained Macao identity cards for less than seven years, unless they have acquired residence in the Macao SAR through the One-way Permit Scheme; and
 - (b) nationals of Afghanistan and Korea (Democratic People's Republic of).

18. The length of stay of such dependants will normally be linked to that of their sponsors. Any subsequent applications for extension of stay will be considered only when the applicant continues to meet the eligibility criteria for entry for residence as dependants (including that there is no change in circumstances which would have otherwise resulted in loss of sponsorship for the applicant, e.g. change in marriage relationship between the dependent spouse and the sponsor, or death of sponsor) and the sponsor remains a bona fide Hong Kong resident living in the HKSAR. These dependants are not prohibited from taking up employment or studies in the HKSAR under the existing policy.

VIII. Other Information

19. In general, unless a person has the right of abode or right to land in the HKSAR, he/she requires a visa/entry permit to work in the HKSAR. While each application is determined on its individual merits, an applicant should meet normal immigration requirements (such as holding a valid travel document with adequate returnability to his/her country of residence or citizenship; be of clear criminal record and raise no security or criminal concerns to the HKSAR; have no likelihood of becoming a burden on the HKSAR, etc.) as well as the relevant specific eligibility criteria detailed above before he/she may be considered for the grant of a visa/entry permit. It should be noted that the eligibility criteria may be subject to change from time to time without prior notice. Please check the Immigration Department's website at www.immd.gov.hk for up-to-date information.

Re-entry into the HKSAR

20. Non-permanent residents of the HKSAR (including persons admitted under the TTPS and their dependants), irrespective of their nationality and type of travel document held, do not require a re-entry visa/entry permit to enter the HKSAR provided that they return within the currency of their permitted limit of stay and that the circumstances upon which they have acquired their residential status remain unchanged.

Right of Abode

21. Persons admitted under the TTPS who have ordinarily resided in the HKSAR for a continuous period of not less than seven years may apply for the right of abode in the HKSAR in accordance with the law.

Payment of Fees

22. Upon approval, the notification of the application result issued by the Immigration Department will include a webpage link for payment. Payment of relevant fees can be made through the said webpage link or the [GovHK Website](#) or the Immigration Department Mobile Application by credit card, Payment by Phone Service (PPS) or Faster Payment System (FPS). After payment, applicants can instantly download or print the "e-Visa" by themselves.

Processing Time

23. It normally takes four weeks to process visa/entry permit applications under the TTPS upon receipt of all the required documents. The Immigration Department will not be able to start processing the application unless all the required documents and information have been received.

24. All applications are processed and determined by the Immigration Department. Approval of applications is entirely discretionary and is subject to changes in government policies. The Director of Immigration reserves absolute discretion to refuse any application even if the application meets all eligibility criteria.

Warning

25. It is an offence to make false statements or representations to an immigration officer. To verify the authenticity of the information and documents submitted with a visa/entry permit application, field visits may be conducted. A person who knowingly and willfully makes a statement or gives information which he/she knows to be false or does not believe to be true shall be guilty of an offence under the Laws of Hong Kong and any such visa/entry permit issued or permission to enter or remain in the HKSAR granted shall have no effect.
