While each application is determined on its individual merits, an applicant should meet normal immigration requirements (such as holding a valid travel document with adequate returnability to his/her country of residence or citizenship; be of clear criminal record and raise no security or criminal concerns to the HKSAR; have no likelihood of becoming a burden on Hong Kong etc.) as well as the relevant specific eligibility criteria detailed above before he/she may be considered for the grant of a visa/entry permit. It should be noted that the eligibility criteria may be subject to change from time to time.

Re-entry into Hong Kong

13. Non-permanent residents of the HKSAR, irrespective of their nationality and type of travel document held, do not require a re-entry visa/entry permit to enter the HKSAR provided that they return within the validity of their permitted limit of stay and that the circumstances upon which they have acquired their residential status remain unchanged. Non-permanent residents, if returning after a long absence of, say, 12 months or more, may be required to approach the Immigration Department Headquarters to have their residential status verified.

Payment of Fees

14. If the application is submitted to the Hong Kong Immigration Department direct, payment of fees should be made upon collection of the visa/entry permit either in cash, by EPS or by cheque. The cheque should be crossed, made payable to “The Government of the Hong Kong Special Administrative Region”, properly dated and signed.

15. If the application is submitted to an overseas Chinese Diplomatic and Consular Mission or the Immigration Division of the Office of the Government of the Hong Kong Special Administrative Region in Beijing, the visa fee should be paid direct to the Chinese Diplomatic and Consular Mission or the Immigration Division of the Office of the Government of the Hong Kong Special Administrative Region in Beijing as appropriate.

Processing Time

16. It will normally take four weeks to process a visa/entry permit application for training upon receipt of all the required documents. The Immigration Department would not be able to start processing the application unless all the required documents and information are received. Please refrain from making enquiries about the progress of the application unless it is absolutely necessary, as it may delay the processing of the application.

17. All applications are processed and determined by the Immigration Department. Approval of applications is entirely discretionary and is subject to changes in government policies. The Director of Immigration reserves absolute discretion to refuse any application even if the application meets all eligibility criteria.
