

Data Specification for Statistics on Passenger, Visitor and Vehicular Traffic

The statistics on passenger, visitor and vehicular traffic are provided by Immigration Department. This dataset provides some relevant figures concerning annual statistics on (i) inbound and outbound passenger trips at all control points (with breakdown by air, sea and land), (ii) vehicular traffic to and from the Mainland and (iii) arrivals and departures of visitors at all control points.

| Item | Description | Note |
|--|--|---|
| Year | Year | YYYY (e.g. 2016) |
| Passenger Traffic | Number of inbound and outbound passenger trips at all control points | Number of inbound and outbound passenger trips at all control points (in million) (Remark: Number of inbound and outbound passenger trips by air, sea and land may not add up to total due to rounding.) |
| Passenger Traffic - Air | Number of inbound and outbound passenger trips by air | Number of inbound and outbound passenger trips by air (in million) |
| Passenger Traffic - Sea | Number of inbound and outbound passenger trips by sea | Number of inbound and outbound passenger trips by sea (in million) |
| Passenger Traffic - Land | Number of inbound and outbound passenger trips by land | Number of inbound and outbound passenger trips by land (in million) |
| Vehicular traffic to and from the Mainland | Number of vehicles travelling to and from the Mainland | Number of vehicles travelling to and from the Mainland (in million) |
| Visitors | Number of arrivals and departures of visitors at all control points | Number of arrivals and departures of visitors at all control points (in million) |
