Notes:

1. The remuneration package in general includes income, accommodation, medical and other fringe benefits.
2. Unless circumstances require otherwise, the above table will in general be updated annually on 1 July.
3. Since "new industrialisation" is an emerging field, salaries for jobs in this field vary, depending on factors such as availability of technicians with relevant knowledge and skills and market development prospects. Whether the remuneration package offered by an employer is commensurate with the market level will be assessed on a case-by-case basis.
