### Frequent Visitor e-Channel Self- Service Immigration Clearance Process

It is just convenient and easy to use e-Channel for self-service immigration clearance.

First, put the enrolled travel document into the document reader with the sticker faced down and place near the top left hand corner of the reader. Pay attention to the message shown on the screen. When the screen shows “Take document”, retrieve the travel document and enter the e-Channel for fingerprint verification. Place the enrolled thumb or finger on the center of the scanner and pay attention to the message shown on the screen. Upon successful verification, a landing slip with a condition of stay will be printed. No slip will be printed upon departure. Collect the slip, exit the e-Channel. The self-service immigration clearance is completed.

Please keep this slip in safe custody while remaining in Hong Kong.
