## **I. Introduction**

This guidebook sets out the entry arrangements for persons who wish to enter the Hong Kong Special Administrative Region (hereafter “HKSAR”) for employment as imported labour under the Sector-specific Labour Importation Schemes (hereafter “Sector-specific Schemes”).

2. The Government of the HKSAR implements the Sector-specific Schemes to handle applications for importation of labour for specific sectors<sup>1</sup>. Administered by the concerned bureaux/departments of the Government of the HKSAR or the concerned statutory organisations of the HKSAR with the specific sectors, the Sector-specific Schemes allow employers with genuine difficulties in recruiting suitable labour locally to import labour from outside the HKSAR.

3. Employers intending to import labour under the Sector-specific Schemes need to first apply to the concerned bureaux/departments for quota(s)<sup>2</sup>. Upon the grant of quota(s), the employer shall arrange for his/her prospective labour to be imported to each submit a visa/entry permit application to the Immigration Department (hereafter “ImmD”) within the period specified in the Notice of Quota Application Result/Quota Approval Notification Letter/Notice of Quota Approval (please refer to the Annex to this Guidebook for the reference number of the document). Individual quota will automatically lapse if no visa/entry permit application is submitted within the aforementioned period.

4. Imported labour admitted under the Sector-specific Schemes are not allowed to bring in their dependants.

5. The entry arrangements of the Sector-specific Schemes do not apply to nationals of Afghanistan, Cuba, Laos, Korea (Democratic People’s Republic of), Nepal and Vietnam.

## **II. Eligibility Criteria**

- (d) the applicant will remain under the direct employment of the same employer as stipulated in the Standard Employment Contract (please refer to the Annex to this Guidebook for the reference number of the document) to perform specified duties for the specified job in the specific workplace(s)<sup>4</sup> as prescribed in the Notice of Quota Application Result/Quota Approval Notification Letter/Notice of Quota Approval (including the Quota Details attached thereto) and stipulated in the Standard Employment Contract, and will not be employed by other companies or sub-contractors;

## **Imported Labour from the Mainland**

12. For Chinese residents of the Mainland wishing to come to work in the HKSAR under the Sector-specific Schemes, applications must be submitted to the ImmD through their prospective employers. Direct applications by Chinese residents of the Mainland will not be accepted. Furthermore, employers must recruit the imported labour through the foreign labour service cooperation enterprises approved by the relevant Mainland authorities.

## **IV. Travel Documentation Requirement**

### **Mainland Residents**

13. Upon approval of the application, the applicant will be issued with an entry permit (in the form of “e-Visa”). Successful applicant should obtain an Exit-entry Permit for Travelling to and from Hong Kong and Macao (hereafter “EEP”) and a relevant exit endorsement from the relevant Mainland authorities. Upon immigration arrival clearance in the HKSAR, the applicant holding an EEP bearing the relevant exit endorsement should also present the “e-Visa” saved on a personal mobile device or printed on a sheet of A4 white paper, and scan the encrypted QR code on the “e-Visa” with the optical reader at an immigration counter.

### **Non-Mainland Residents**

14. Upon approval of the application, the applicant will be issued with a visa/entry permit (in the form of “e-Visa”). Upon immigration arrival clearance in the HKSAR, the applicant should present his/her valid travel document and the “e-Visa” saved on a personal mobile device or printed on a sheet of A4 white paper, and scan the encrypted QR code on the “e-Visa” with the optical reader at an immigration counter.

## **V. Conditions of Stay**

15. The visa/entry permit for the imported labour is normally granted for a period of 24 months or the full term of the employment contract, whichever is shorter.

16. After entry into the HKSAR, the imported labour admitted on employment condition must remain under the direct employment of the same employer for the specified job and in the specific workplace(s) as stipulated in the Standard Employment Contract and cannot be employed by other companies or sub-contractors. Change of the employer, post or place of work (unless stipulated in the Standard Employment Contract) is not permitted.

17. The imported labour is required to return to his/her place of origin on completion or termination of his/her employment contract. If the contract is prematurely terminated, the imported labour is permitted to remain in the HKSAR only for two weeks from the date of termination of contract or for the balance of permitted stay, whichever is the shorter period.

18. The imported labour under the Sector-specific Schemes shall not be treated as ordinarily resident in Hong Kong during any period in which he/she remains in Hong Kong while employed as a contract worker, who is from outside Hong Kong in accordance with

section 2(4)(a)(v) of Immigration Ordinance (Cap. 115). In other words, no person will acquire the right of abode in Hong Kong by virtue of his/her stay in Hong Kong as the imported labour.

## **VI. Other Information**

19. In general, unless a person has the right of abode or right to land in the HKSAR, he/she requires a visa/entry permit to work in the HKSAR. While each application is determined on its individual merits, an applicant should meet normal immigration requirements (such as holding a valid travel document with adequate returnability to his/her country of residence or citizenship; be of clear criminal record and raise no security or criminal concerns to the HKSAR; have no likelihood of becoming a burden on the HKSAR, etc.) as well as the relevant specific eligibility criteria detailed above before he/she may be considered for the grant of a visa/entry permit. It should be noted that the eligibility criteria may be subject to change from time to time without prior notice. Please check the ImmD's website at [www.immd.gov.hk](http://www.immd.gov.hk) for up-to-date information.

### **Levy**

20. Successful employers are required to pay the Employees Retraining Levy (hereafter "levy") that goes to the Employees Retraining Board for funding its provision of retraining courses and services for local workers, so as to encourage a larger latent labour force to receive training and enter into the employment market. The levy shall be payable in a lump sum in respect of each imported labour, and the payment amount is HK\$400 multiplied by the number of months covered by the employment contract up to a maximum of 24 months. The employer shall pay the levy to the ImmD after the approval for the application for visa/entry permit for an imported labour and before the issue of visa/entry permit by the ImmD. The levy paid is not refundable under any circumstances.

### **Termination of a Contract prior to its Expiry**

21. The employer or the imported labour may terminate the employment contract prior to its expiry by giving to the other party notice in writing or wages in lieu of notice as stipulated in the employment contract. The employer shall send a copy of the Notice of Termination of Employment Contract (please refer to the Annex to this Guidebook for the reference number of the document) to the concerned bureaux/departments/statutory organisations (please refer to the Annex to this Guidebook for the addresses and fax numbers) and to the Admission of Labour Section of the ImmD (fax number: 3902 3167) within seven days before the date of termination. The employer may also submit the Notice of Termination of Employment Contract to the ImmD through the ImmD's online service system at [www.gov.hk/en/residents/immigration/nonpermanent/terminatecontractorstudies.htm](http://www.gov.hk/en/residents/immigration/nonpermanent/terminatecontractorstudies.htm). If the

contract is terminated without prior notice, the employer shall send a copy of the Notice of Termination of Employment Contract to the concerned bureaux/departments/statutory organisations and the ImmD within one working day after the termination. The Notice of Termination of Employment Contract should bear the name of the imported labour in English and Chinese (if applicable), his/her Hong Kong identity card number, the date of termination, the application reference number of the ImmD and the quota number. It should also indicate whether application for replacement of the imported labour is required by the employer. The Notice of Termination of Employment Contract can be downloaded from the websites of the concerned bureaux/departments/statutory organisations. For details of application for replacement of imported labour, please refer to paragraph 22 below.

### **Application for Replacement of Imported Labour**

22. Upon obtaining permission by the concerned bureaux/departments/statutory organisations<sup>5</sup> for the application for replacement of imported labour, a Notice of Application Result for Replacement of Imported Labour/Notification Letter for Replacement of Imported Worker Application Result (please refer to the Annex to this Guidebook for the reference number of the document) will be issued to the employer by the concerned bureaux/departments/statutory organisations. The employer shall arrange for his/her prospective labour to be imported to submit a visa/entry permit application to the ImmD within the period specified in the concerned notice by following the application procedures as stipulated in paragraphs 7 to 12 above.

### **Contract Renewal with Same Employer**

23. Employers who wish to renew the employment contract with an existing imported labour shall make a fresh application for quota to the concerned bureaux/departments. Upon the grant of the quota, the employer shall arrange for his/her imported labour whose contract is to be renewed to submit a visa/entry permit application to the ImmD within the period specified in the Notice of Quota Application Result/Quota Approval Notification Letter/Notice of Quota Approval by following the application procedures as stipulated in paragraphs 7 to 12 above.

### **Extension of Stay**

24. Where the validity of the imported labour's travel document is shorter than the duration of the employment contract, a shorter limit of stay having regard to the validity of the travel document may be granted upon arrival of the imported labour. After renewal of the

imported labour's travel document, an application should be made, within the limit of stay granted, for an extension of stay for completing the remaining period of the current contract, provided that the employer confirms to continue the employment of the imported labour. Extension of stay will not normally be granted to the imported labour upon completion or termination of his/her employment contract. A new application for a visa/entry permit should be submitted for a new employment contract.

### **Re-entry into the HKSAR**

25. Non-permanent residents of the HKSAR (including imported labour admitted under the Sector-specific Schemes), irrespective of their nationality and type of travel document held, do not require a re-entry visa/entry permit to enter the HKSAR provided that they return within the currency of their permitted limit of stay and that the circumstances upon which they have acquired their residential status remain unchanged.

### **Payment of Fees**

26. Upon approval of the applications, the notification of the application result issued by the ImmD will include a webpage link for payment. Payment of relevant fees could be made through the said webpage link or the GovHK website or the ImmD Mobile Application by credit cards, Payment by Phone Service (PPS) or Faster Payment System (FPS). After payment, applicants could instantly download or print the "e-Visa" by themselves.

27. If the applicant or his/her authorised representative attend the relevant Immigration office in person to pay, the relevant fee could be settled by cash, EPS, Octopus, FPS or cheque. The cheque should be crossed, made payable to "The Government of the Hong Kong Special Administrative Region", properly dated and signed. After payment, the applicant or his/her authorised representative will be issued with an "e-Visa" printed on a sheet of A4 white paper on the spot. The applicant can then download or print the "e-Visa" through the GovHK website or the ImmD Mobile Application.

### **Processing Time**

28. It normally takes six weeks to process a visa/entry permit application for employment as an imported labour upon receipt of all the required documents. The ImmD will not be able to start processing the application unless all the required documents and information have been received. Please refrain from making enquiries about the progress of the application unless it is absolutely necessary, as it may delay the processing of the application.

29. All visa/entry permit applications are processed and determined by the ImmD. Approval of applications is entirely discretionary and is subject to changes in government

policies. The Director of Immigration reserves absolute discretion to refuse any application even if the application meets all eligibility criteria.

### **Warning**

30. It is an offence to make false statements or representations to an immigration officer. To verify the authenticity of the information and documents submitted with a visa/entry permit application, field visits may be conducted. A person who knowingly and wilfully makes a statement or gives information which he/she knows to be false or does not believe to be true shall be guilty of an offence under the Laws of Hong Kong and any such visa/entry permit issued or permission to enter or remain in the HKSAR granted shall have no effect.
