I. Introduction

This guidebook sets out the entry arrangement for persons who wish to enter the Hong Kong Special Administrative Region (HKSAR) for study.

II. Eligibility Criteria

2. An application for a visa/entry permit to enter the HKSAR for study may be favourably considered if:

(a) the applicant:

(i) is admitted to a private school registered under the Education Ordinance (Cap. 279) or Post Secondary Colleges Ordinance (Cap. 320). Except for post-secondary education, entry for study in public or aided schools (other than English Schools Foundation Schools and Direct Subsidy Scheme Schools) is not permitted;

(ii) takes up studies in a full-time locally-accredited post-secondary programme including short-term course or part-time locally-accredited taught postgraduate local programme;

(iii) is admitted on exchange in full-time locally-accredited local programmes at sub-degree level for not more than 6 months or on exchange in full-time locally-accredited local or non-local programmes for not more than one year at undergraduate or above level; or

(iv) is enrolled in a full-time course on the register of non-local higher education or professional courses as set up under the Non-local Higher and Professional Education (Regulation) Ordinance (Cap. 493);

(c) the applicant holds a school acceptance letter to confirm that he/she has been accepted for a course of study; and

(d) the applicant is able to meet the fees for the course, the living expenses for his/her maintenance and accommodation without working and without recourse to public funds.

Local programmes refer to programmes leading to degrees awarded by local degree-awarding institutions whereas non-local programmes refer to programmes leading to degrees awarded solely by non-local institutions, irrespective of whether the programmes are jointly run by local and non-local institutions.
3. This entry arrangement does not apply to:

(a) Chinese residents of the Mainland of China (the Mainland) and Taiwan;
(b) former Mainland Chinese residents settled in Macao Special Administrative Region (SAR) who were not settled there by 14 January 1979; and
(c) nationals of Afghanistan, Cuba, Laos, Korea (Democratic People’s Republic of), Nepal and Vietnam.

4. However, provided that the conditions in sub-paragraphs 2(c) & (d) above are met, Chinese residents of the Mainland, Macao SAR and Taiwan as listed in sub-paragraphs 3(a) & (b) above, and nationals of Vietnam as listed in sub-paragraph 3(c) above may apply for entry to take up:

- For Chinese residents of the Mainland, Macao SAR and Taiwan (sub-paragraphs 3(a) & (b) above):
  (a) studies in full-time locally-accredited post-secondary local or non-local programmes;
  (b) studies in part-time locally-accredited taught post-graduate local programmes;
  (c) exchange in full-time locally-accredited local programmes at sub-degree level for not more than 6 months or exchange in full-time locally-accredited local or non-local programmes at undergraduate or above level for not more than one year; or
  (d) full-time short-term studies, subject to the following conditions:
    (i) the programme concerned is offered by Hong Kong higher education institutions with degree-awarding powers (excluding their continuing and professional education arms); and
    (ii) the cumulative duration of short-term studies taken up by any student should not exceed 180 days within any 12-month period.

---

2 The agreement between the Mainland and the HKSAR on mutual recognition of degree awards in higher education is not applicable to sub-degree qualifications (i.e. associate degree and higher diploma). Mainland students may come to attend sub-degree level local programmes in the HKSAR since there is no restriction in the Mainland prohibiting them to pursue further studies at educational institutions outside the Mainland on a personal basis.

3 Mainland students are allowed to study in full-time locally-accredited local programmes. Mainland students are also allowed to study in full-time locally-accredited non-local programmes at undergraduate or above level which have been approved by the Ministry of Education of the People’s Republic of China.

4 The programmes to be taken up by Mainland students must be offered by the University Grants Committee (UGC)-funded institutions.
In addition, Chinese residents of the Mainland may also apply to attend secondary school level short-term exchange programmes approved by the Education Bureau of not more than 2 weeks, if accompanied by Mainland teachers.

◆ For nationals of Vietnam (sub-paragraph 3(c) above):

- studies in full-time locally-accredited local programmes at undergraduate or above level offered by the University Grants Committee (UGC)-funded institutions, but excluding: (i) self-financing programmes offered by the relevant institutions; and (ii) programmes offered by the continuing and professional education arms of the relevant institutions.

10. Applications from Chinese residents of the Mainland should be submitted to the Immigration Department through the educational institution (the sponsor) granting the acceptance.

IV. Travel Documentation Requirement

11. A visa/entry permit label will be issued upon successful application. It should be collected by the sponsor from the Immigration Department for onward transmission to the successful applicant. For application submitted to Chinese diplomatic and consular missions or the Immigration Division of the Beijing Office or the Immigration Division of the SHETO, visas/entry permits will be issued through the relevant Chinese diplomatic and consular mission or the Immigration Division of the Beijing Office or the Immigration Division of the SHETO as appropriate.

12. The visa/entry permit label should be affixed onto a blank visa page of the applicant’s travel document for presentation to the immigration officer upon arrival in the HKSAR.

13. The successful applicant who is a Chinese resident of the Mainland should apply for an Exit-entry Permit for Travelling to and from Hong Kong and Macao (EEP) and a relevant exit endorsement from the relevant Mainland authorities. The applicant’s EEP bearing the relevant exit endorsement should be presented together with the entry permit label issued to him/her for immigration arrival clearance.
V. Extension of Stay

14. In general, non-local students admitted to take up studies in full-time locally-accredited local and non-local post-secondary programmes will be granted a length of stay in line with the normal duration of their study programmes, subject to a maximum period of six years upon entry and the validity of the travel document held. For those studying other courses, they will normally be granted permission to stay for 12 months upon entry or in accordance with the duration of their studies, whichever is shorter.

15. Persons admitted for study may apply for extension of stay, if necessary, within 4 weeks before their limit of stay expires to continue their study in the HKSAR. Such applications will be considered only when the applicants continue to meet the eligibility criteria for entry for study. Extension of stay, if approved, will normally be on a yearly basis or in accordance with the duration of their studies, as appropriate.

VI. Entry of Dependents

16. Applicants admitted for study (in full-time undergraduate or post-graduate local programmes in local degree-awarding institutions) may apply to bring in their spouse or the other party to same-sex civil partnership, same-sex civil union, “same-sex marriage”, opposite-sex civil partnership or opposite-sex civil union entered into by him/her in accordance with the local law in force of the place of the place of celebration and with such state status being legally and officially recognised by the local authorities of the place of celebration, and unmarried dependent children under the age of 18 to the HKSAR under the prevailing dependant policy. Persons admitted or applying for admission for study will be the sponsors of their accompanying dependants to the HKSAR. An application for admission of a dependant may be favourably considered if:

(a) there is reasonable proof of a genuine relationship between the dependant and the sponsor;
(b) there is no known record to the detriment of the dependant; and
(c) the sponsor is able to support the dependant’s living at a standard well above the subsistence level and provide him/her with suitable accommodation in the HKSAR.

6 For the avoidance of doubt, the terms “civil partnership” and “civil union” above mean a legal institution of a nature which is akin to spousal relationship in a marriage. The same-sex civil partnership, same-sex civil union, “same-sex marriage”; opposite-sex civil partnership and opposite-sex civil union entered into in accordance with laws outside Hong Kong are limited to only relationships which are legally and officially recognised in the places of celebration. Such relationships normally have the following features: (a) the entering into and dissolution of the relationship are governed by legislation of the place where it is entered into; (b) the relationship requires registration by the competent authority specified by the legislation of the place where it is entered into; (c) the registration is evidenced in a written instrument issued by the competent authority; and (d) parties to the relationship have a mutual commitment to a shared life akin to spouses to the exclusion of other on a permanent basis. Such relationships do not include de facto spouse, partners in cohabitation, fiancé/fiancée, etc.
17. This entry arrangement does not apply to:

(a) former Mainland Chinese residents residing in the Macao SAR who have obtained Macao identity cards for less than seven years, unless they have acquired residence in the Macao SAR through the One-way Permit Scheme; and

(b) nationals of Afghanistan and Korea (Democratic People’s Republic of).

18. Such dependants will normally be granted an initial stay of 12 months upon entry which is subject to annual extension upon application. Such application will be considered only when the applicant continues to meet the eligibility criteria for entry for residence as dependants (including that there is no change in circumstances which would have otherwise resulted in loss of sponsorship for the applicant, e.g. change in marriage relationship between the dependent spouse and the sponsor, or death of sponsor) and the sponsor remains a bona fide Hong Kong resident living in the HKSAR. Under the existing policy, while dependants whose sponsors have been admitted into the HKSAR for study may take up study in the HKSAR, they are prohibited from taking up employment in the HKSAR unless they have obtained prior permission from the Director of Immigration.

VII. Other Information

19. In general, unless a person has the right of abode or right to land in the HKSAR, he/she requires a visa/entry permit to study in the HKSAR. While each application is determined on its individual merits, an applicant should meet normal immigration requirements (such as holding a valid travel document with adequate returnability to his/her country of residence or citizenship; be of clear criminal record and raise no security or criminal concerns to the HKSAR; have no likelihood of becoming a burden on the HKSAR, etc.) as well as the relevant specific eligibility criteria detailed above before he/she may be considered for the grant of a visa/entry permit. It should be noted that the eligibility criteria may be subject to change from time to time.

Conditions of Stay

20. In general, a person who is admitted as student in the HKSAR shall be subject to the following conditions of stay:

(a) he/she shall become a student only at a specified school, university or other educational institution and undertake such course of study as may be approved by the Director of Immigration; and

(b) he/she shall not:
   (i) take up any employment, whether paid or unpaid; or
   (ii) establish or join in any business.
21. Notwithstanding the employment restrictions as mentioned in paragraph 20(b) above, non-local students of full-time locally-accredited local or non-local programmes at undergraduate level or above whose study period is not less than one academic year may take up internship subject to the following conditions:
   
   (a) the internship must be study/curriculum-related and be arranged or endorsed by the institutions they are studying in\(^7\); and
   
   (b) the duration of the internship is up to one academic year, or one-third of the normal duration of the relevant full-time academic programme, whichever is shorter\(^8\).

There is no restriction on the nature of work, level of salary, location, number of working hours and employers for the internship arrangements.

22. As regards non-local students enrolled in full-time locally-accredited sub-degree local programmes with a study period not less than 2 academic years, they may also apply to take up an internship if the following conditions are met:

   (a) the internships must be mandatory, study/curriculum-related and be arranged / endorsed by the institutions they are studying in\(^9\); and
   
   (b) the duration of the internship is up to 6 months\(^8 &\(^10\).

23. Moreover, non-local students (excluding exchange students) of full-time locally-accredited local programmes at undergraduate level or above whose study period is not less than one academic year may, during the currency of their limit of stay, take up:

   (a) part-time on-campus employment\(^11\) for not more than 20 hours per week\(^12\) throughout the year; and

---

\(^7\) The study/curriculum-related internship must be endorsed by designated officers of the relevant institution, not by individual offices, schools, faculties or faculty members.

\(^8\) The internship cannot take place before a non-local student has officially registered with the institution and begun attending any scheduled classes of his/her registered programme in the HKSAR, or when the student concerned has already fulfilled all the course/credit requirements for graduation (e.g. a student who has just finished his/her year of study).

\(^9\) The study/curriculum-related internship must be endorsed by designated officers of the relevant institution, not by individual offices, schools, faculties or faculty members.

\(^10\) The 6 months' duration is calculated on a cumulative basis of 26 weeks and is counted by calendar week as a unit regardless of the actual days being engaged in the internship within a week. The cumulative duration of 26 weeks need not be continuous.

\(^11\) The employment must take place within the campus of the institution (including only the campus of the institution which the non-local student is enrolled in, and excluding the campus of any subsidiary and associated bodies of the relevant institution proper or its self-financing arms) where the non-local student is studying or, if the work location is outside the campus of the institution, the employer is the institution itself.

\(^12\) Students are not allowed to roll over unused hours from one week to another.
(b) employment during the summer months from 1 June to 31 August (both dates inclusive) without any limit in relation to work hours and location.

24. Eligible students will be notified of the internship, part-time on-campus employment and/or summer job arrangement individually by a “No Objection Letter” (NOL) which will spell out the type(s) and conditions of employment which the student may take up.

Termination of Study

25. If the educational institution or student for any reason terminates studies before the completion of such a study course as approved by the Director of Immigration, the educational institution should notify the Director of Immigration of the date of termination of study in writing with reasons for termination or provide the Director of Immigration with a completed “Notification of Termination of Studies” (ID 977) within 7 working days following the termination.

Re-entry into the HKSAR

26. Non-permanent residents of the HKSAR, irrespective of their nationality and type of travel document held, do not require a re-entry visa/entry permit to enter the HKSAR provided that they return within the currency of their permitted limit of stay and that the circumstances upon which they have acquired their residential status remain unchanged.

Payment of Fees

27. If the application is submitted to the Hong Kong Immigration Department directly, payment of fees should be made upon collection of the visa/entry permit in cash, by EPS or by cheque. The cheque should be crossed, made payable to “The Government of the Hong Kong Special Administrative Region”, properly dated and signed.

28. If the application is submitted to an overseas Chinese diplomatic and consular mission or the Immigration Division of the Beijing Office or the Immigration Division of the SHETO, the visa/entry permit fee should be paid directly to the Chinese diplomatic and consular mission or the Immigration Division of the Beijing Office or the Immigration Division of the SHETO as appropriate.

Processing Time

29. It normally takes six weeks to process a visa/entry permit application for study upon receipt of all the required documents. The Immigration Department will not be able
to start processing the application unless all the required documents and information have been received. Please refrain from making enquiries about the progress of the application unless it is absolutely necessary, as it may delay the processing of the application.

30. All applications are processed and determined by the Immigration Department. Approval of applications is entirely discretionary and is subject to changes in government policies. The Director of Immigration reserves absolute discretion to refuse any application even if the application meets all eligibility criteria.

Warning

31. It is an offence to make false statements or representations to an immigration officer. To verify the authenticity of the information and documents submitted with a visa application, field visits may be conducted. A person who knowingly and wilfully makes a statement or gives information which he/she knows to be false or does not believe to be true shall be guilty of an offence under the Laws of Hong Kong and any such visa/entry permit issued or permission to enter or remain in the HKSAR granted shall have no effect.
