

IMMIGRATION GUIDELINES FOR ENTRY TO THE HONG KONG SPECIAL ADMINISTRATIVE REGION OF THE PEOPLE'S REPUBLIC OF CHINA

Introduction

1 This information leaflet prepared by the Immigration Department of the Hong Kong Special Administrative Region Government (HKSARG) sets out the visa/entry permit requirements for persons wishing to enter the Hong Kong Special Administrative Region (HKSAR) of the People's Republic of China (PRC). The information in this leaflet serves as reference only. The HKSAR immigration authorities have the right to refuse any application(s) even where the immigration requirements are met.

2 In general, unless a person has the right of abode or right to land in the HKSAR, he/she requires a visa/entry permit to work, study, establish or join in any business, take up residence or to stay in the HKSAR as a visitor longer than the allowed visa free period. While each application is determined on its individual merits, an applicant should meet normal immigration requirements (such as holding a valid travel document with adequate returnability to his/her country of residence or citizenship; be of clear criminal record and raise no security or criminal concerns to the HKSAR; have no likelihood of becoming a burden on the HKSAR; etc.) as well as the relevant specific eligibility criteria detailed below before he/she may be considered for the grant of a visa/entry permit. It should be noted that the eligibility criteria may be subject to change from time to time without prior notice.

Visit or Transit

3 An application for a visa/entry permit to enter the HKSAR for a visit (leisure, social or business) or transit may be favourably considered if:

- a. the applicant's bona fides are not in doubt;
- b. the applicant has adequate funds to cover the duration of his/her stay without working; and
- c. where the application is for a transit visa/permit, he/she holds an onward ticket to the place of his/her destination unless the destination is the Mainland of China (the Mainland) or the Macao Special Administrative Region (SAR).

Employment under the Technology Talent Admission Scheme

14 The Technology Talent Admission Scheme (TechTAS) provides a fast-track arrangement for eligible companies to admit non-local technology talent to undertake research and development (R&D) work for them in the HKSAR. Eligible companies would first have to apply for a quota. A company allotted with a quota by the Innovation and Technology Commission (ITC) can accordingly sponsor an eligible person to apply for an employment visa/entry permit within the 12-month quota validity period. It also has to fulfil the requirement to employ new local employees in technology-related work. For details of TechTAS, please refer to the application guide in the website of ITC.

² For the avoidance of doubt, the terms “civil partnership” and “civil union” above mean a legal institution of a nature which is akin to spousal relationship in a marriage. The same-sex civil partnership, same-sex civil union, “same-sex marriage”, opposite-sex civil partnership and opposite-sex civil union entered into in accordance with laws outside Hong Kong are limited to only relationships which are legally and officially recognised in the places of celebration. Such relationships normally have the following features: (a) the entering into and dissolution of the relationship are governed by legislation of the place where it is entered into; (b) the relationship requires registration by the competent authority specified by the legislation of the place where it is entered into; (c) the registration is evidenced in a written instrument issued by the competent authority; and (d) parties to the relationship have a mutual commitment to a shared life akin to spouses to the exclusion of others on a permanent basis. Such relationships do not include de facto spouse, partners in cohabitation, fiancé/fiancée, etc.

- a. there is no security objection and no known record of serious crime in respect of the applicant;
- b. the employing company has a valid quota approved by ITC at the time of application;
- c. the applicant is employed as a full-time employee in the HKSAR by the employing company;

Work experience is not compulsory for those with a Master's or Doctoral degree, whereas those with a Bachelor's degree only should possess a minimum of one year of work experience in the relevant technology area. Persons not meeting the academic requirements but possessing good technical skills in specialty areas, proven professional abilities and/or relevant experience and achievements can be considered on a case-by-case basis with full justifications. In such case, relevant documentary evidence should be provided;
- f. the applicant is offered remuneration not lower than the prevailing market level for comparable jobs in the HKSAR;
- g. the applicant meets the specific particulars pertaining to the job position set out in the quota allotment letter issued by ITC; and

Please see paragraphs 62 - 67 below.

Immigration Arrangements for Non-local Graduates

18 Non-local students⁴ who have obtained an undergraduate or higher qualification in a full-time and locally-accredited programme in the HKSAR (non-local graduates) may apply to stay/return and work in the HKSAR under the Immigration Arrangements for Non-local Graduates (IANG).

³ For the avoidance of doubt, the terms "civil partnership" and "civil union" above mean a legal institution of a nature which is akin to spousal relationship in a marriage. The same-sex civil partnership, same-sex civil union, "same-sex marriage", opposite-sex civil partnership and opposite-sex civil union entered into in accordance with laws outside Hong Kong are limited to only relationships which are legally and officially recognised in the places of celebration. Such relationships normally have the following features: (a) the entering into and dissolution of the relationship are governed by legislation of the place where it is entered into; (b) the relationship requires registration by the competent authority specified by the legislation of the place where it is entered into; (c) the registration is evidenced in a written instrument issued by the competent authority; and (d) parties to the relationship have a mutual commitment to a shared life akin to spouses to the exclusion of others on a permanent basis. Such relationships do not include de facto spouse, partners in cohabitation, fiancé/fiancée, etc.

⁴ Non-local students refer to persons entering the HKSAR for the purpose of education with a student visa/entry permit issued by the Director of Immigration.

19 Non-local graduates who submit applications to the Immigration Department within six months after the date of their graduation (i.e. the date shown on their graduation certificates) are classified as non-local fresh graduates. Non-local fresh graduates who wish to apply to stay and work in the HKSAR are not required to have secured an offer of employment upon application. They may be granted an initial stay of 12 months on time limitation only without any other conditions of stay provided that normal immigration requirements are met.

20 Non-local graduates who submit applications after six months of the date of their graduation are classified as returning non-local graduates. Returning non-local graduates who wish to return to work in the HKSAR are required to have secured an offer of employment upon application. Their applications may be favourably considered if the job is at a level commonly taken up by degree holders and the remuneration package is at market level. They may be granted an initial stay of 12 months on time limitation only without any other conditions of stay provided that normal immigration requirements are met.

21 Persons admitted under the IANG are free to take up and change employment during their permitted stay in the HKSAR without the need to seek prior approval from the Director of Immigration.

22 This entry arrangement does not apply to nationals of Afghanistan, Cuba, Laos, Korea (Democratic People's Republic of) and Nepal. For nationals of Vietnam, the IANG only applies to those who have obtained an undergraduate or higher qualification in a full-time locally-accredited local programme in Hong Kong offered by the University Grants Committee (UGC)-funded institutions, but excluding: (i) self-financing programmes offered by the relevant institutions; and (ii) programmes offered by the continuing and professional education arms of the relevant institutions.

Please see paragraphs 62 - 67 below.

Employment as Imported Workers

Administered by the Labour Department, it allows employers with genuine difficulties in finding suitable employees locally to import workers from outside the HKSAR.

25 Employers intending to import workers under the SLS need to apply to the Application Office of the Labour Department, for approval-in-principle in the first place. Subject to the grant of approval-in-principle, an employer shall arrange for his/her prospective workers to submit a visa/entry permit application within the period specified in the approval-in-principle letter. - a. the applicant is suitably qualified and experienced for the job in question;

Such relationships do not include de facto spouse, partners in cohabitation, fiancé/fiancée, etc.
